

## DETAILED ACTION

### *Response to Amendment*

1. The reply filed on 27 June 2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

In the restriction files 27 May 2008, the examiner requested that the applicant select from a group from the restriction. Upon selection of a group, the applicant is to then select a corresponding figure and designate the appropriate claims from within the selected group.

In the response on 27 June 2008, the applicant merely selected group I (claims 1-29) without traverse but did not select a specie. As such, the applicant is to select one of the following species: figure 8, figure 9, figure 10, or figure 11 and indicate which claims of 1-29 belong in the selected specie.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
